

From Athens International Airport

Distance from Athens: 300km

The ride from Athens International Airport to Monemvasia lasts approximately 3,5 hours, while the additions of new roadways ensure a comfortable and safer journey via the national roads.

Follow the 'Attiki Odos' highway from the Airport towards 'Elefsina'.

Once you exit 'Attiki Odos' you follow the road towards 'Korinthos', 'Tripoli' (Τρίπολη) and 'Kalamata' (Καλαμάτα). Continue straight at the National Road of 'Tripoli', following the direction to 'Kalamata' and do not turn right to the exit of 'Tripoli' (See picture A).

Continue straight and after the town of 'Megalopolis', turn right at the exit towards 'Sparta' (See picture B1, B2) to enter the new road 'Lefktro – Sparta', 46 km length. At the end of the new road, you will see the sign 'Geraki straight-Sparta right' and continue straight towards 'Geraki' (See picture C).

Shortly before entering the new regional road of Sparta, you meet a roundabout and follow the direction to 'Geraki' (Γεράκι) (See picture D1) and 'Geraki - Gytheio' (See picture D2). Continue straight, following the sign 'Neapoli – Monemvasia – Molaoi - Skala' (Νεάπολη –Μονεμβασιά – Μολάοι - Σκάλα) (See picture E). The end of the new road has been interlinked with the national road 'Sparta - Gytheio', shortly after the military camp KEEM where you take left towards 'Monemvasia'.

When you arrive at the city of Monemvasia, you should turn right at the sign towards 'Neapoli – Koulentia – Lira - Nomia'. (See picture F), following the beautiful coastal road for a distance of almost 6km.

You keep driving along the coastline and take a left when you come to the fork in the road following the sign 'Agios Stefanos – Xifias - Agios Fokas' and do not turn right towards 'Neapoli – Koulentia – Lira - Nomia' (See picture G).

Continue on the coastal road and pass the sign 'Ampelakia Beach'. Shortly after Ampelakia beach (about 500m) you reach a small bridge. Right after, there is a road that turns right, following the sign of the hotel and the municipal sign towards 'Agios Stefanos'. Turn right and now follow the hotel signs for approximately one kilometer yet. The discreet grey signs with the hotel name feature directional arrows and distances.
